

## **TinyTown is our babies through preschoolers environment.**

### **How old does my child have to be to attend the RiverTown nursery?**

Our recommendation is that your child is at least six weeks old prior to bringing him or her to the RiverTown Nursery. If you would like to attend the adult worship services prior to your child being six weeks old, you are welcome to worship in the hallway just outside the back door to the auditorium. There is a comfortable place to sit there, and you will be able to hear as the doors are kept open during the service.

### **What do you do to provide safety for my children?**

Safety and security are of utmost importance to us and we want you to feel safe and comfortable leaving your baby in our care. All of our children's volunteers are screened with a comprehensive background check to make sure that those spending time with your child will love and nurture your child. There will be an adult at the Kids welcome area to greet you, obtain information on your child and escort first-time guests to your baby's room.

Parents are given a unique security number that corresponds with a sticker placed on the baby. Information is taken on the location of the parent and parents are given a corresponding security card to use when picking up their child. We strive to insure your child's safety while in our care.

### **Where is TinyTown located?**

TinyTown is conveniently located near the auditorium. As you enter the main building, you will see our TinyTown welcome area just to the left of the entrance. There you will find the friendly face of someone who can register your child, and help you take your child to his or her age-appropriate room.

### **How will you contact me if my child needs me?**

If your child becomes inconsolable or unwell, we will post on the screen in the auditorium your child's check in number. We will also, have a volunteer waiting for you the back of the auditorium to walk you back to the TinyTown area.

### **How can I volunteer with preschoolers?**

There are many positions available where you can serve with our TinyTown environment. Please email Matt Bush at [matt@rivertown.com](mailto:matt@rivertown.com) to start! You will need to agree to a background check as all of our children's volunteers are screened.
